Keynotes Speakers BIOS

Esteban Rossi-Hansberg

Princeton University

<http://www.princeton.edu/~erossi/>

Esteban Rossi-Hansberg is a professor of economics in the Economics Department and Woodrow Wilson School at Princeton University. He performs research in macroeconomics, international trade, and urban economics. His research focuses on the internal structure of cities, the distribution of economic activity in space, economic growth and the size distribution of cities, the effect of offshoring on wage inequality, the role on information technology on wages and organization, and firm dynamics and the size distribution of firms. Rossi-Hansberg was a faculty member in the Economics Department at Stanford University. He is a faculty associate of the National Bureau of Economic Research (NBER) and his research receives support from the National Science Foundation. Ph.D. University of Chicago.

Andrew B. Bernard

Dartmouth College

<http://faculty.tuck.dartmouth.edu/andrew-bernard/>

Andrew B. Bernard is the Jack Byrne Professor of International Economics at the Tuck School of Business at Dartmouth. He is also a Research Associate for the National Bureau of Economic Research in Cambridge, MA, a Research Fellow at the Centre for Economic Policy Research in London, and a Research Associate at the Centre for Economic Performance at the London School of Economics. Professor Bernard received a PhD in economics from Stanford University. Professor Bernard has given lectures at the World Bank, IMF, the European Central Bank, and the European Commission on the topic of firms and globalization. Professor Bernard is an expert on firm and industry responses to globalization and his current research in international trade focuses on topics including the importance of domestic supply networks, buyer-seller interactions, multi-product firms, and exporter dynamics. He is a past recipient of a National Science Foundation grant to support his work on firms and products in international trade.

Call for papers for the Workshop on Trade and Firm Dynamics

The Research Institute for Development, Growth and Economics (RIDGE) is pleased to announce a call for papers for the Workshop on Trade and Firm Dynamics to be held in Montevideo, Uruguay, on 15-16 December 2016. The deadline for submission is October 1, 2016 (12 AM ET).

The 2016 workshop will take place within the framework of the 2016 RIDGE December Forum along with the following workshops:

- Environmental Economics, December 7 (Montevideo, Uruguay)
- International Macro, December 8-9 (Montevideo, Uruguay)
- Financial Stability, December 6-7 (Montevideo, Uruguay)
- Growth and Development in Macroeconomics 15-16 (Montevideo, Uruguay)

The RIDGE December Forum aims to favor the spread of high quality research in economics by bringing together prestigious researchers working on the frontier of knowledge to local and regional researchers and policymakers.

To view the call for papers for the December 2016 workshop please visit:

<http://www.ridge.uy/ridge-forums/2016-december-forum/>

To view the programme of previous workshops please visit:

<http://www.ridge.uy/ridge-forums/2015-december-forum/>

Participants to this workshop are welcome to attend the other workshops.

Paper Submission

Full papers, written in English, must be submitted for consideration for the workshop. The cover page should include: the title of the paper, institutional affiliation, including address, phone and email of each author and an abstract with the appropriate JEL classification.

Each author can submit and present at most one paper per workshop (submission of papers to other workshops is possible).

Full papers, in PDF format, should be sent to: Andrea Cavallo forum@ridge.uy

Important Dates

Deadline for paper submission: October 1, 2016 (12 AM ET)

Notification of organizers decision: October 15, 2016
