

## RIDGE Summer School in Economics: Financial Stability and International Macro

Montevideo, Uruguay

5-8 December, 2017

---

### Description

The Summer School will take place in the framework of the 2017 RIDGE December Forum, Montevideo. It will consist of 4 lectures by top scholars and the participation in the 2017 RIDGE December Forum.

The RIDGE Summer School aims to give young Latin American economists the opportunity to attend lectures by top scholars and to be part of the debate about the frontier of knowledge in economics. Lecturers give an overview of the main open issues on topics related to the Forum.

The 2017 RIDGE December Forum consists of the following two Workshops:

- International Macro, December 5-6 (Montevideo, Uruguay)
- Financial Stability, December 7-8 (Montevideo, Uruguay)
- Growth and Development in Macroeconomics 18-19 (Montevideo, Uruguay)

The RIDGE Forum aims to favor the spread of high quality research in economics and promotes the development of new views on economic thinking from the perspective of developing countries. It brings together top researchers working on the frontier of knowledge with researchers working in Latin America and Latin American policy makers.

### Participants

The Summer School targets outstanding Latin American graduate economists. Priority will be given to Latin American students enrolled in Latin American Graduate programs in economics.
