The Research Institute for Development, Growth and Economics (RIDGE) and the LACEA Political Economy Group (PEG) are pleased to announce a call for papers for the RIDGE/LACEA-PEG Workshop on Political Economy to be held at the Universidad EAFIT, Medellín, Colombia, on 20-21 May 2019. RIDGE is an initiative of the International Economic Association (IEA)

The deadline for submission is February 1, 2019

The 2019 meeting will take place in Medellín, Colombia, hosted by EAFIT, within the framework of the 2019 RIDGE May Forum along with the following workshops:

- Public Economics, May 20-21, 2019
- LACEA Labor Network, May 20-21, 2019
- LACEA Impact Evaluation Network, May 21-22, 2019
- LACEA Network on Inequality and Poverty, May 22-23, 2019
- LACEA America Latina Crime and Policy Network (AL CAPONE), May 22-23, 2019

The Political Economy Group of LACEA has held annual meetings since 1998. As in previous years, the 2019 meeting aims to promote the discussion around the connection between economics and politics that is relevant for Latin American and Caribbean economies. The focus of the meeting will be on the connection between economics and political institutions broadly understood, including legislatures, courts, executives, political parties, elections, weakly institutionalized environments, the institutions of federalism and the workings of the public service.

The accepted contributions are expected to be relevant for understanding the most challenging problems of Latin America and Caribbean countries. This allows for papers addressing issues in other regions when those issues are deemed relevant to the Latin American context. Studies of specific Latin American countries, as well as comparative institutional analyses are also welcome. Both theoretical and empirical contributions are welcome. There will be a dedicated discussant for each paper, as well as open floor discussion.

The RIDGE Forums and LACEA networks aim to favor the spread of high quality research in economics by bringing together top local and regional researchers working on the frontier of knowledge and policymakers. Participants to any workshop are welcome and encouraged to attend the other workshops.
